First Lease[®]
Achieving your dream

WHO WE ARE

FirstLease India is the leading space leasing service provider in the country, with operations spanning across India. Our primary objective since inception has been to offer customized services to our clients. We deliver a comprehensive suite of professional services within the Commercial Real Estate domain.

With more than a decade of experience in the real estate industry, we have worked and associated with more than 3500+ national and multinational firms. Our seasoned experts and proactive team members, through their expertise, insight, and commitment, have assisted our clients in attaining their goals of optimal and productive workspaces.

OUR SERVICES

- Office Leasing
- **Healthcare Leasing**
- Retail Leasing
- Warehouse Leasing
